 - (b) audit and related services, such statement shall be regarded as the only Generally Accepted Auditing Standard applicable to the circumstances that it covers and all references herein to Generally Accepted Auditing Standards shall be interpreted accordingly.

Adjustment Factor herein. If a conversion is required, the Landlord will make the necessary conversion. If the base year for the C.P.I. (or the substituted or replacement index) is changed by Statistics Canada (or by a successor governmental agency) the Landlord will make the necessary conversion.

The foregoing shall not prevent the Tenant or anyone holding any such interest from contesting any liability to a third party for any claim for lien or the validity of any lien so discharged or vacated.
- 17.01.03 The Tenant acknowledges that the Landlord is not, nor should be held to be, accountable as owner (as that term is defined in the **Construction Lien Act**, R.S.O. 1990, c. Without limiting the generality of the foregoing, the parties acknowledge and agree that any alteration made to the Demised Premises shall never be deemed to have been made and will not be made at the request of the Landlord, but rather at the request of the Tenant or the Occupant or Transferee, as the case may be.

filed or registered at any such time. For purposes of securing such removal the Landlord may

- 17.01.06 Nothing herein contained shall authorize the Tenant, or imply any consent or agreement or request on the part of the Landlord, to subject the Landlord's estate or interest in the Demised Premises or the Leasehold Interest to any construction or builders lien or other lien of any nature or kind whatsoever. The Landlord hereby expressly refuses and denies any consent, agreement or request to permit the Landlord's estate or interest in the Demised Premises or the Leasehold Interest to be subject to any construction or builders lien or other lien of any nature or kind whatsoever without the express written agreement of the Landlord to that effect.

 - (1) converts the assignment or transfer of any interest, including an undivided interest, in all or substantially all of the Airport Undertaking by way of security into an absolute interest; or
 - (2) exercises any rights to possession or takes possession of all or substantially all of the Airport Undertaking, the Leasehold Interest or the Demised Premises in whole or in part, or appoints a receiver or a receiver and manager whose possession lasts for more than
 - (A) the period of time necessary to pay the outstanding balance under the loan agreement, any interest accruing thereon which is not paid by the receiver or receiver and manager and the amount of any borrowings made by the receiver or receiver and manager for the purpose of paying for the management, operation, maintenance, protection, preservation or repair of the Demised Premises, for the purpose of complying with the terms and conditions of this Lease, as well as for the purpose of completing any construction undertaken by the Tenant prior to the appointment of the receiver or receiver and manager, in the case where the lender is a Leasehold Mortgagee for Airport Purposes; or
 - (B) a period of five (5) years or such greater length of time as the Minister in his sole discretion may, in writing, agree, in any other case;
- (j) the Leasehold Interest or any part thereof is taken and sold under any writ of execution or other like process;
- (k) the Tenant:
 - (1) enters into a Transfer,
 - (2) enters into an Occupant Agreement Requiring Consent, or

(3) enters into a Leasehold Mortgage Requiring Consent,
without the prior written consent of the Minister;

- (l) a Person who is the holder of any elected public office or who is an employee of the federal, provincial, regional or municipal government, is elected or appointed to the Board and fails to resign within thirty (30) days following notice by the Landlord to the Tenant requesting such resignation;
- (m) there has been a transfer by operation of law contemplated in Subsection 18.01.04;
- (n) if for a period of one hundred and twenty (120) days, the total number of members of the Tenant's Board is seventy-five per cent (75%) or less than the total number of possible members of the Tenant's Board, excluding any members nominated by Her Majesty the Queen in right of Canada or Her Majesty the Queen in right of any province.

20.01.02 The effect of the occurrence of an Event of Default shall, in addition to any rights of the Landlord in accordance with any of the other Instruments, be to give rise to the rights and obligations in relation thereto set out in Sections 20.02 to 20.06 inclusive.

20.01.03 Notwithstanding any other provision of this Lease, the Landlord may have access to the Demised Premises in order to deal with any emergency or danger, at any time after having given to the Tenant a Notice of Non-Performance where, in the Minister's judgement there is a real or apprehended emergency or danger to persons or property or where any delay by the Landlord in dealing with such emergency or danger would or might prejudice airport safety, the Landlord or Her interest in the Airport.

20.01.04 Notwithstanding anything in this Lease, the Landlord shall not exercise any of its remedies contained in Paragraph 20.02.01(a) unless and until:

- (a) an Event of Default has occurred and where applicable a Notice of Non-Performance has been delivered to the Tenant with a copy to the Leasehold Mortgagee;
- (b) the Landlord has given to the Tenant, with a copy to the Leasehold Mortgagee, a notice of such Event of Default ("Notice of Intention to Terminate"); and
 - (i) in the case of an Event of Default referred to in Paragraph 20.01.01(a), the Event of Default continues

to exist for thirty (30) days after the Landlord has given to the Tenant, with a copy to the Leasehold Mortgagee, the Notice of Intention to Terminate in respect of such Event of Default,

- (ii) in the case of an Event of Default referred to in Paragraph 20.01.01(b), the Event of Default continues to exist for thirty (30) days after the Landlord has given to the Tenant, with a copy to the Leasehold Mortgagee, the Notice of Intention to Terminate in respect of such Event of Default, or
- (iii) in any other case, the Event of Default continues to exist for forty-five (45) days after the Landlord has given to the Tenant, with a copy to the Leasehold Mortgagee, the Notice of Intention to Terminate in respect of such Event of Default.

Notwithstanding anything in this Subsection 20.01.04, whenever and to the extent that a Leasehold Mortgagee is prevented by law from curing any default of the Tenant to keep, perform, or observe any of the covenants, agreements, provisions, conditions or provisos on the part of the Tenant to be kept, performed or observed (other than the payment of Rent) or to appoint a receiver or receiver-manager, then the computation of the time periods referred to in Subparagraphs 20.01.04(b) (ii) and (iii) shall be suspended during such period in which the Leasehold Mortgagee was so prevented by law provided that, in the event the Landlord has delivered a Notice of Intention to Terminate, the Leasehold Mortgagee notifies the Landlord forthwith after becoming aware that it is prevented by law from curing any default of the Tenant to keep, perform, or observe any of the covenants, agreements, provisions, conditions or provisos on the part of the Tenant to be kept, performed or observed (other than the payment of Rent) or to appoint a receiver or receiver-manager.

20.01.05 The Notice of Intention to Terminate shall set forth in reasonable detail the nature of the Event of Default, state specifically to which paragraph of Section 20.01.01 it relates and identify the date upon which the Landlord may exercise its remedies under Paragraph 20.02.01(a).

Section 20.02 Landlord's Rights With Respect to an Event of Default

20.02.01 This Lease and the Term and estate hereby granted are subject to the limitation that, where there is an Event of Default, then, and in each of such cases and so often as such Event of Default happens, it shall be lawful for the Landlord at any time thereafter, at Her option:

- (a) subject to Subsections 20.01.04, 20.02.02, 20.03.01 and 20.06.01, to enter into and upon the Demised Premises or any part thereof in the name of the whole without any legal process whatsoever, and this Lease and the Term hereof shall, by notice, (herein called "Notice of Termination"), to the Tenant at the option of the Landlord and with or without entry, terminate, and all the rights of the Tenant with respect to the Demised Premises shall terminate and expire upon the date of delivery to the Tenant of the Notice of Termination as fully and completely as if the date of delivery to the Tenant of the Notice of Termination were the date herein fixed for the expiry of the Term of this Lease, but the Tenant shall notwithstanding remain liable for any arrears of Rent, and for any loss or damage suffered by the Landlord due to the default. The Landlord shall provide, for information purposes, a copy of the Notice of Termination to each Leasehold Mortgagee who has advised the Landlord of its name and address for service.

For greater certainty, notwithstanding any such termination, the Landlord may recover from the Tenant arrears of Rent and damages for loss of Rent suffered by reason of this Lease having been prematurely determined, and the Landlord may recover from the Tenant all other loss or damages the Landlord may suffer due to the default, including the cost of recovering the Demised Premises and including the worth, at the time of such termination, of the excess, if any, of the amount of Rent likely to become payable hereunder for the remainder of the Term over the amount of rent of the Demised Premises likely to be obtainable by the Landlord for the remainder of the Term, all of which loss and damages shall be immediately due and payable from the Tenant to the Landlord as soon as they are ascertained;

- (b) to enter the Demised Premises for the purpose of curing any default of the Tenant including the making of maintenance or repairs required to be made by the Tenant and no such entry for such purpose shall be deemed a re-entry by the Landlord or a forfeiture or termination of this Lease, and the Tenant shall permit such entry and shall ensure that all Occupants and Transferees permit such entry. Except as herein provided, the Landlord shall give not less than seven (7) days notice to the Tenant of Her intention to enter for such purpose. The Tenant shall forthwith pay to the Landlord, as Additional Rent, all costs of the Landlord in curing any default, together with interest thereon at the Interest Rate calculated from the date the Landlord has paid such costs to the date it is reimbursed by the Tenant to the Landlord. The Landlord shall be under no obligation to cure any default of the Tenant or to continue to cure any default after having commenced

to cure or attempted to cure such default. The Landlord may enter the Demised Premises upon a period of notice shorter than the seven (7) day period of notice or without notice where, in the Minister's judgement there is a real or apprehended emergency or danger to persons or property or where any delay by the Landlord in curing such default would or might prejudice airport safety, the Landlord or Her interest in the Airport;

- (c) to pay on behalf of the Tenant when due any and all moneys which the Tenant has covenanted to pay under this Lease other than a sum payable to the Landlord, and the Tenant shall forthwith reimburse the Landlord for any amount so paid together with interest thereon at the Interest Rate calculated from the date the Landlord has paid such amount to the date it is reimbursed by the Tenant to the Landlord;
- (d) to appoint in writing a receiver or manager or receiver and manager of the Demised Premises or any part or parts thereof and the businesses or undertakings carried on by the Tenant thereon or therein and of the rents and revenues thereof with or without entry into possession of the Demised Premises or any part or parts thereof or such businesses or undertakings, and with or without security (herein called a "Receiver"). Before making such appointment, the Landlord shall give to the Tenant reasonable days notice of its intention to make such appointment (herein called a "Notice of Intention to Appoint a Receiver"), except where any delay by the Landlord in making such appointment would or might, in the opinion of the Minister acting reasonably, prejudice the rights of the Landlord in which case the Landlord may appoint such Receiver without any notice to the Tenant of its intention. In making any such appointment, the Landlord shall be deemed to be acting as the agent or attorney for the Tenant, with irrevocable authority. Upon the appointment of any such Receiver or Receivers from time to time, the following provisions shall apply:
 - (i) Every such Receiver shall be the irrevocable agent or attorney of the Tenant for the collection of all rents or revenues falling due in respect of the Demised Premises or any part or parts thereof;
 - (ii) Every such Receiver may, in the discretion of the Landlord and by writing, be vested with all or any of the powers and discretion of the Landlord;
 - (iii) Every such Receiver shall have the full power and authority to manage and carry on the businesses or undertakings of

the Tenant on behalf of the Tenant and as agent or attorney of the Tenant;

- (iv) The Landlord may from time to time by writing fix the reasonable remuneration of every such Receiver who shall be entitled to deduct the same out of the rents or revenues derived from the Demised Premises or the proceeds thereof;
- (v) Every such Receiver shall, so far as concerns the responsibility for acts or omissions, be deemed the agent or attorney of the Tenant and not the agent or attorney of the Landlord unless specifically otherwise provided in the instrument appointing the Receiver;
- (vi) Such appointment or anything which may be done by any such Receiver or the removal of any such Receiver or the termination of any such receivership shall not have the effect of constituting the Landlord a landlord in possession in respect of the Demised Premises or any part or parts thereof;
- (vii) Every such Receiver shall from time to time have the power to rent any portion of the Demised Premises which is not then subject to an Occupant Agreement for such term and subject to such provisions as the Receiver may deem advisable or expedient, and in so doing every such Receiver shall act as the attorney or agent of the Tenant and shall have irrevocable authority, subject to the terms of this Lease, to execute under seal any Occupant Agreement of the whole of the Demised Premises or any part thereof in the name of and on behalf of the Tenant, and the Tenant hereby undertakes to ratify and confirm whatever any such Receiver may do in the Demised Premises, pursuant to its powers referred to herein;
- (viii) Every such Receiver shall have full power to manage, operate, maintain, protect, preserve and repair the Demised Premises or any part thereof in the name of the Tenant for the purpose of securing the payment of rent or deriving revenues from the Demised Premises or any part thereof, provided that the Receiver shall do so as a prudent receiver would do;
- (ix) Every such Receiver shall, only as permitted by this Lease, have the irrevocable authority to borrow or raise money on behalf of the Tenant on the security of the Tenant's

Leasehold Interest in the Demised Premises, for the purpose of paying for the management, operation, maintenance, protection, preservation or repair of the Demised Premises;

- (x) No such Receiver shall be liable to the Tenant to account for moneys or damages other than cash received by such Receiver in respect of the Demised Premises or any parts thereof and out of such cash so received, every such Receiver shall in the following order pay:
 - (A) his commission or remuneration as Receiver;
 - (B) all expenses made or incurred by such Receiver in connection with the management, operation, maintenance, protection, preservation or repair of the Demised Premises or any part thereof;
 - (C) all Rent due to the Landlord;
 - (D) all Real Property Taxes, Business Taxes, all other taxes and all Insurance premiums payable by the Tenant in respect to the Demised Premises or any part thereof; and
 - (E) all payments required to be made with respect to all utilities;

and any surplus remaining in the hands of the Receiver after payments made as aforesaid shall be accounted for by the Receiver to the Tenant and paid to the Tenant or Leasehold Mortgagee entitled thereto;

- (xi) The Landlord may, at any time and from time to time:
 - (A) terminate any such receivership, or
 - (B) replace any such Receiver

by notice in writing to the Tenant and to any such Receiver. Notwithstanding the foregoing, the Landlord agrees to terminate any such receivership if a Leasehold Mortgagee tenders to the Landlord the correct amount to cure any monetary default; and

- (C) in the case of non-monetary default (other than a non-monetary default referred to in Subsection 20.02.02),

- (1) where such non-monetary default is a default in the payment for any Insurance or any obligation to pay money (other than Rent), forthwith provides evidence to the Landlord of the payment of any such amount and any interest or penalties, and
 - (2) in the case of any other non-monetary default, undertakes in writing to the Landlord to promptly commence the curing of any such non-monetary default on behalf of the Tenant and with due diligence thereafter prosecutes the curing of such non-monetary default to completion on behalf of the Tenant within a reasonable period of time, and provided that the Leasehold Mortgagee keeps the Landlord fully informed at all times of its progress in curing such non-monetary default and does in fact complete such curing within such time, or
- (D) in the case of a non-monetary default referred to in Subsection 20.02.02, appoints a receiver or receiver and manager, who shall go into possession pursuant to the provisions of Article 18;

and provided further that the Leasehold Mortgagee pays all of the Landlord's costs and expenses up to that time, including all costs and expenses of such receivership.

It being understood that while in possession the Leasehold Mortgagee should comply with the Tenant's obligations in Article 9 in respect of the Airport Undertaking as opposed to the business of the Leasehold Mortgagee, and all statements shall be signed by the receiver-manager appointed by of the Leasehold Mortgagee.

For greater certainty, the expression "monetary default" refers to the default in the payment of any Rent and "non-monetary default" refers to the default to keep, perform, or observe any of the covenants, agreements, provisions, conditions or provisos contained in this Lease on the part of the Tenant to be kept, performed or observed (other than the payment of Rent); and

(xii) Save as to claims for accounting under Subparagraph 20.02.01(d)(x), the Tenant hereby releases and discharges and agrees to indemnify and save harmless:

(A) the Landlord; and

(B) every such Receiver, unless the claim be the direct and proximate result of dishonesty or negligence of such Receiver;

from every claim of every nature, whether in damages (including consequential or indirect damages) or not, which may arise or be caused to the Tenant or any Person claiming through or under it by reason or as a result of anything lawfully done by the Landlord or any successor or assign claiming through or under the Landlord, or by reason or as a result of anything done by any such Receiver under the provisions of this Section;

(e) to claim damages from the Tenant, including consequential and indirect damages;

(f) to restrain by prohibitive injunction or to obtain a mandatory injunction or an order for specific performance as the case may be of any failure of the Tenant to keep, perform or observe any of the covenants, conditions or provisos on the part of the Tenant to be kept, performed or observed under Section 8.09, Section 8.10, Article 9 or Article 28. The Tenant hereby acknowledges and agrees that the covenants and agreements on the part of the Tenant contained in Section 8.09, Section 8.10, Article 9 and Article 28 are unique and of such extraordinary character and value to the Landlord that a breach thereof would cause the Landlord irreparable harm for which damages are not easily calculated or which would not, or might not, be compensable in damages. Furthermore, the Tenant acknowledges that a continuing breach of any of such covenants, conditions or provisos would cause continuing damages to the Landlord.

20.02.02 Notwithstanding anything in Paragraph 20.02.01(a), if the Landlord elects to terminate this Lease pursuant to Paragraph 20.02.01(a) by reason of any Event of Default referred to in Subsection 18.01.04, Paragraphs 20.01.01(c), (d), (e), (f), (g), (h), (i), (j), (k) (l), (m) and (n) or for failure of the Tenant to keep, perform, or observe any of the covenants, agreements, provisions, conditions or provisos on the part of the Tenant to be kept, performed or observed (other than the payment of Rent) under Subsections 4.06.02, 4.08.01, 4.08.02, 4.08.03, 4.08.04, 15.01.01 or

18.02.02 or under Section 14.03 or under Article 9 or any other provision of this Lease where the Event of Default cannot reasonably be cured by a Leasehold Mortgagee or other lender and where, at the time of the Notice of Intention to Terminate, there is a balance outstanding on any loan made by a Leasehold Mortgagee or any other lender which is secured by a Leasehold Mortgage and which remains unpaid, then the Notice of Termination shall not be effective to terminate this Lease:

- (a) so long as such balance outstanding to such Leasehold Mortgagee at the time of the Notice of Intention to Terminate and the other amounts referred to in Clause 20.01.01(h)(2)(A) remains unpaid; or
- (b) so long as such balance outstanding to such other lender at the time of the Notice of Intention to Terminate and the other amounts referred to in Clause 20.01.01(h)(2)(A) remains unpaid or a period of five (5) years (or such greater length of time as the Minister in his sole discretion may, in writing, agree) from the Notice of Intention to Terminate, whichever comes first,

provided that the Leasehold Mortgagee or other lender as the case may be, appoints a receiver or receiver and manager who goes into possession of the Demised Premises within thirty (30) days of the date of receipt by the Leasehold Mortgagee or other lender of a copy of the Notice of Intention to Terminate and further provided that in the case of an Event of Default referred to in Paragraphs 20.01.01(h),(i) or (j), such Event of Default is not caused by any act of that Leasehold Mortgagee or other lender, and further provided that,

- (c) in the event the Leasehold Mortgagee becomes a mortgagee in possession (including without limitation the appointment of a receiver or a receiver and manager), the Leasehold Mortgagee, or anyone claiming by, through or under the Leasehold Mortgagee, shall be liable for the performance of all of the Tenant's obligations under this Lease (other than Subsections 9.01.01, 9.01.02, 9.01.03 and 9.01.04 and Paragraph 9.01.06(c)) whenever arising and shall perform and be bound by each and every one of the Tenant's covenants and agreements set out and contained in this Lease (other than Subsections 9.01.01, 9.01.02, 9.01.03 and 9.01.04 and Paragraph 9.01.06(c)) unless, until and to the extent released in accordance with Paragraph (d) hereof; and
- (d) if after having taken possession of the Demised Premises, the Leasehold Mortgagee goes out of possession, the Leasehold Mortgagee shall be relieved from any further obligation towards the Landlord arising after the Leasehold Mortgagee goes out of possession,

it being understood that while in possession the Leasehold Mortgagee shall comply with the Tenant's obligations in Article 9 in respect of the Airport Undertaking as opposed to the business of the Leasehold Mortgagee, and all statements shall be signed by the receiver or manager appointed by the Leasehold Mortgagee.

Section 20.03 Copy of Notice to Leasehold Mortgagee

- 20.03.01 No Notice of Non-Performance, Notice of Intention to Terminate, Notice of Termination or Notice of Intention to Appoint a Receiver shall be valid and effective and the time periods referred to in Paragraphs 20.01.01(a) and (b) and 20.01.04(b) shall not begin to run unless and until a copy of such Notice is delivered to each Leasehold Mortgagee who has advised the Landlord of its name and address for service.
- 20.03.02 Notwithstanding any other provisions of this Lease, no amendment to Subsection 20.03.01 shall be valid unless the Tenant has obtained the prior written consent of any Leasehold Mortgagee who has advised the Landlord of its name and address for service.
- 20.03.03 The Landlord shall provide to the Tenant, upon request, a list of all the Leasehold Mortgagees who have advised the Landlord of their respective name and address for service.

Section 20.04 Extension of Period to Cure Default

- 20.04.01 Notwithstanding Paragraph 20.01.01(b) and Subparagraph 20.01.04(b)(ii), in the case of a default to which Paragraph 20.01.01(b) and Subparagraph 20.01.04(b)(ii) refers, if the default reasonably requires more time to cure than the time period specified therein, the Tenant shall not be in default, provided that the curing of the default is promptly commenced upon the giving of the said notice, and with due diligence is thereafter continuously prosecuted to completion and is completed within a reasonable period of time, and provided that the Tenant keeps the Landlord informed at all times of its progress in curing the default.

Section 20.05 Remedies not Exclusive

- 20.05.01 The remedies of the Landlord specified in this Lease are cumulative and are in addition to any remedies of the Landlord at law or in equity. The specification in this Lease of any particular right or remedy of the Landlord in respect of a default by the Tenant shall not preclude the Landlord from any other right or remedy in respect thereof, whether available at law or in equity or by statute or expressly provided for in this Lease. No right or remedy shall be exclusive or dependent upon any other right or remedy, but the Landlord may, from time to time, have recourse to one or more or all of the rights and remedies specified herein or at law or in equity or by statute, independently or in combination, such rights and remedies being cumulative and not alternative. The right of the Landlord to claim arrears of Rent and loss or damages against the Tenant shall survive the expiry or early termination of this Lease.

Section 20.06 Leasehold Mortgagee's Right to Cure

20.06.01 Subject to this Article 20, any Leasehold Mortgagee shall have the right to cure any default of the Tenant on behalf of the Tenant and to keep this Lease in good standing on behalf of the Tenant provided that the Leasehold Mortgagee cures any such default within the time periods permitted hereunder.

Section 20.07 Landlord's Default

20.07.01 The Landlord shall not be in default hereunder with respect to keeping, performing or observing any of Her covenants, agreements, provisions, conditions or provisos on the part of the Landlord to be kept, performed or observed under this Lease unless any such default by the Landlord continues for a thirty (30) day period following receipt by the Landlord from the Tenant of a written notice of such default (hereinafter called "Notice of Default to Landlord").

20.07.02 Notwithstanding Subsection 20.07.01, if the default by the Landlord reasonably requires more time to cure than such thirty (30) day period, the Landlord shall not be in default, provided that the curing of the default is promptly commenced upon receipt by the Landlord of the Notice of Default to Landlord, and with due diligence is thereafter continuously prosecuted to completion and is completed within a reasonable period of time, and provided that the Landlord keeps the Tenant informed at all times of Her progress in curing the default by the Landlord.

20.07.03 The Tenant shall have no recourse against the Landlord until the Landlord has been provided with the appropriate time required to rectify any default.

ARTICLE 21 - LANDLORD'S OPTIONS ON TERMINATION

Section 21.01 Chattels

21.01.01 The Tenant hereby grants to the Landlord an option whereby the Landlord may, upon expiry or early termination of this Lease, acquire free and clear of all encumbrances, any or all tangible personal property used by the Tenant in connection with the management, operation or maintenance of the Airport at a price equal to the amount by which the then net carrying amount, as determined in accordance with Generally Accepted Accounting Principles thereof exceeds any amount set out in Subsection 4.11.01 which has not, as of such expiry or early termination, been paid by the Tenant to the Landlord. Such price shall be payable to the Tenant or to any other Person including any Leasehold Mortgagee or its receiver claiming under or through the Tenant as their interest may appear.

21.01.02 In order to ensure the efficacy of the option granted in Subsection 21.01.01 and to provide the Landlord with a security interest in the tangible personal property referred to in Subsection 21.01.01 and to secure the performance by the Tenant of its obligations under that Subsection, the parties hereto shall, contemporaneously with the execution and delivery of this Lease, enter into the agreement specified in Subsection 3.02.01(m) of the Agreement to Transfer. The Tenant undertakes not to grant any other security interest in the tangible personal property referred to in Subsection 21.01.01 in priority to the interest of the Landlord in such tangible personal property under such agreement.

ARTICLE 22 - FINANCIAL ADMINISTRATION ACT

Section 22.01 Appropriation

22.01.01 The payment of any money by the Landlord pursuant to this Lease is subject to there being an appropriation for such payment by the Parliament of Canada for the fiscal year in which such payment becomes due.

22.01.02 It is agreed between the parties hereto that the performance by the Landlord of any of the Landlord's obligations under Article 37 including, for greater certainty, the payment of a contribution to the Tenant of a portion of the contract price referred to in Paragraph 37.03.01(b) shall be subject to there being an appropriation to cover the costs of the performance of any such obligations in the fiscal year in which such costs become due.

ARTICLE 23 - ASSIGNMENT, SUCCESSORS AND ASSIGNS

Section 23.01 Successors and Assigns

23.01.01 This Lease and all the covenants, agreements, terms, conditions, provisions and undertakings contained in this Lease, shall extend to, be binding upon and enure to the benefit of the Landlord and Her successors and assigns and the Tenant and, subject to Article 18, any permitted Occupant, Leasehold Mortgagee and Transferee of the Tenant.

23.01.02 All covenants, agreements, terms, conditions, provisions and undertakings contained in this Lease shall be construed as covenants running with the land.

ARTICLE 24 - WAIVER

Section 24.01 Waiver

- 24.01.01 The failure of any party hereto to insist, in any one instance, upon the strict performance by the other party hereto of Her or its obligations hereunder, or the failure of any party hereto to exercise any right, option or remedy, shall not constitute a waiver or relinquishment for the future of any such obligation, right, option or remedy nor shall it constitute a waiver of a subsequent breach thereof.
- 24.01.02 No covenant or condition of this Lease may be waived by any party hereto except by the written consent of that party, and forbearance or indulgence by that party in any regard whatsoever and no matter how long shall not constitute a waiver of the covenant or condition and until performed or waived in writing that party shall be entitled to invoke any remedy available to that party under this Lease or by law, despite the forbearance or indulgence.
- 24.01.03 The Minister may, subject to any conditions the Minister deems advisable, waive, on behalf of the Landlord, the strict performance for a specified period of time of any provision of this Lease except Article 4, Subsection 19.02.07 and Subsection 19.02.08. Any such waiver shall be in writing signed by the Minister and shall specify the obligation waived and the period of waiver and any terms and conditions of any such waiver.
- 24.01.04 The waiver by any of the parties hereto of any breach of any term, covenant or condition herein contained is not deemed to be a waiver of such term, covenant or condition or of any subsequent breach of the same or of any other term, covenant or condition herein contained.
- 24.01.05 The consent by the Minister to or the approval by the Minister of any act by the Tenant requiring the Landlord's consent or approval shall not be construed to waive or render unnecessary the requirement for the Minister's or the Landlord's consent to or approval of any subsequent similar act.
- 24.01.06 The subsequent acceptance of Rent hereunder by the Landlord is not deemed to be a waiver of any preceding breach by the Tenant of any term, covenant or condition of this Lease, regardless of the Landlord's knowledge of such preceding breach at the time of acceptance of any such Rent.

Section 24.02 Waiver of Compliance by Occupants and Transferees

- 24.02.01 If the Tenant requests that the Landlord waive the requirement of the Tenant to comply with its obligations set out in Subsection 8.07.01 with respect to a particular Occupant or Transferee in respect of a particular

law at a particular time and the Tenant has provided the Landlord with all material and information related to such request, the Minister may, pursuant to Section 24.01, waive such obligations. In the event the Minister fails to notify the Tenant within thirty (30) days of receipt by the Landlord of the request and all relevant material and information that he does not waive such obligations, then the Minister shall be deemed, subject to Subsection 24.01.04, to have waived such obligations.

ARTICLE 25 - INSPECTION AND AUDIT

Section 25.01 Inspection

25.01.01 The Tenant covenants with the Landlord to permit the Landlord, Her servants, officers, employees, agents and persons authorized by the Minister at all reasonable times during the Term hereof to enter, inspect and view the Demised Premises or any part thereof, and to obtain any information and any document wherever located and to take extracts therefrom in order to determine the extent of compliance:

- (a) by the Tenant and all Occupants and Transferees with all applicable laws; and
- (b) by the Tenant with this Lease;

and the Tenant shall permit access for any such purpose and shall ensure access for any such purpose and shall also ensure that the Person who has control of such information and documents permits access thereto all at no cost to the Landlord, Her servants, officers, employees, agents or persons authorized by the Minister.

Section 25.02 Audit

25.02.01 The Landlord may, at any time, and from time to time cause a complete audit to be made of any of the practices and procedures of the Tenant and any records of the Tenant and any other matter relating in any way to this Lease, the Demised Premises, the Leasehold Interest or to the Tenant's business affairs or the Airport Undertaking.

25.02.02 For the purpose of any audit the Landlord shall have the right, without cost,

- (a) to have a Person or Persons on the Demised Premises to,

- (i) examine, any records of the Tenant relating in any way to this Lease, the Demised Premises, the Leasehold Interest or to the Tenant's business affairs or the Airport Undertaking;
 - (ii) examine any practices and procedures relating in any way to this Lease, the Demised Premises, the Leasehold Interest or to the Tenant's business affairs or the Airport Undertaking;
 - (iii) obtain and use such other information as the Landlord or such Person considers relevant to the subject matter of the audit and the Tenant shall provide access thereto without hindrance, and
- (b) to carry out tests, inspections and investigations on or under the Demised Premises or any part thereof.

25.02.03 For the purposes of this Section 25.02, the Landlord may enter into the Demised Premises Herself or by Her agents, servants, employees, contractors and subcontractors and with or without machinery or equipment.

25.02.04 The Tenant shall provide to the Landlord and to any Person conducting such audit appropriate space on the Demised Premises satisfactory to and at no cost to the Landlord or to such Person.

ARTICLE 26 - FORCE MAJEURE

Section 26.01 Force Majeure

26.01.01 Subject to Subsection 26.01.02 and Subsection 26.01.03, whenever and to the extent that either party is bona fide unable to fulfil or is delayed or restricted in fulfilling any of its obligations under this Lease by an event of Force Majeure, such party shall be relieved from the fulfilment of the part of its obligations affected by Force Majeure during the period of Force Majeure.

4.03.02 The Tenant shall pay all Rent to be paid by the Tenant to the Landlord hereunder,

- (a) in lawful money of Canada, when due, without any prior demand therefor and without any deduction, abatement or set-off whatsoever, and the Tenant hereby waives the benefit of any statutory or other rights in respect of any deduction, abatement or set-off in its favour at the Date of Commencement or at any future time; and
- (b) at such address in Canada as the Landlord may from time to time designate.

payment and, at the option of the Landlord, apply such payment on account of the earliest stipulated Airport Rent or Additional Rent without prejudice to the Landlord's right, having so applied such payment, to recover the balance of Airport Rent or Additional Rent or pursue any other right or remedy provided in this Lease or at law.

- 4.03.07 No receipt of money by the Landlord from the Tenant after any termination of this Lease shall reinstate, continue or extend the Term, or affect any notice previously given to the Tenant, or operate as a waiver of the right of the Landlord to enforce the payment of Airport Rent or Additional Rent then due or thereafter falling due, or operate as a waiver of the right of the Landlord to recover possession of the Demised Premises, it being agreed that, after the service of a Notice of Termination of this Lease the Landlord may demand, receive and collect any money due or thereafter falling due without in any manner affecting such notice and any such money so collected shall be deemed a payment on account of the use and occupation of the Demised Premises or, at the election of the Landlord, on account of the Tenant's liability hereunder.

including the day such amount is paid to the Tenant or a rent credit for such amount is issued by the Landlord to the Tenant, as the case may be.

- 4.04.03 The Basic Interest Rate and the Interest Rate, as the case may be, applicable to any amount on which interest is payable by the Tenant to the Landlord shall be adjusted on the first (1st) day of each Quarterly Period such that the Basic Interest Rate or Interest Rate, as the case may be, at which the interest payable during that Quarterly Period is calculated is the Basic Interest Rate or Interest Rate, as the case may be, for that Quarterly Period.
- 4.04.04 The Basic Interest Rate applicable to any amount on which interest is payable by the Landlord to the Tenant shall be adjusted on the first (1st) day of each Quarterly Period such that the Basic Interest Rate at which the interest payable during that Quarterly Period is calculated is the Basic Interest Rate for that Quarterly Period.

- 4.05.02 For each Lease Year for which the aggregate of the monthly payments and any additional payments of Airport Rent paid by the Tenant to the Landlord during that Lease Year is greater than Reported Airport Rent for that Lease Year, the Landlord, provided the Tenant is not otherwise in default, will, within forty-five (45) days of receipt by the Landlord of both the Tenant's Annual Statement for that Lease Year and the Tenant's Auditor's Report for that Lease Year, remit to the Tenant the amount by which the aggregate of the monthly payments and any additional payments of Airport Rent paid by the Tenant to the Landlord during that Lease Year exceeds Reported Airport Rent for that Lease Year.
- 4.05.03 If, with respect to a Lease Year, the Landlord is required to remit any amount to the Tenant, the Landlord at its option shall have the right to either,
- (a) pay such amount to the Tenant, or
 - (b) give the Tenant a rent credit against a future obligation to pay any Rent [such future obligation being within the Lease Year during which the Landlord is required to make a remittance to the Tenant pursuant to Subsection 4.05.01 or Subsection 4.05.02], which, to the extent the Tenant is subsequently unable to use such rent credit, will then be remitted to the Tenant.
- 4.05.04 Notwithstanding any provision in this Lease, if and for so long as the Tenant has not paid any amount which in the opinion of the Landlord is owing by the Tenant to the Landlord, or, if an Event of Default exists for any non-monetary default, then,
- (a) the Landlord shall not be obliged to remit any amount to the Tenant or give the Tenant any rent credit, and
 - (b) no interest shall accrue to the account of the Tenant on any amount to be remitted by the Landlord to the Tenant.
- 4.05.05 The Landlord may set off as against any amount owing by the Landlord to the Tenant any amount which in the opinion of the Landlord is owing by the Tenant to the Landlord.
- 4.05.06 The Landlord shall give the Tenant, in any Lease Year, a credit against Rent payable for that Lease Year equal to the amount of rent paid by the Tenant to the Landlord during that Lease Year under any Separate Lease provided that the Tenant has included in

Airport Revenue the amount of any Gross Revenue derived by the Tenant or any Person who is not at Arm's Length with the Tenant during that Lease Year from the land and premises which are the subject matter of the Separate Lease.

- 4.06.02 In order to obtain the Minister's consent contemplated in Subsection 4.06.01 and before any Occupant, Transferee or airport user who is not at Arm's Length with the Tenant or in whom the Tenant has an investment of any kind is permitted to occupy or use any part of the Demised Premises, the Tenant shall declare, by notice ["Notice Of Arm's Length Amount"] in writing to the Landlord, at the place then fixed for the payment of Rent, the financial terms and conditions of such occupancy or use, describe the premises which are the subject of the occupancy or use, as well as declare such sum or sums, including percentage participation, which will be included in Airport Revenue in respect of such use or occupancy by the Occupant, Transferee or airport user for each Lease Year of the duration of the Occupant Agreement or the Transfer as the case may be.

In the event the Landlord fails to notify the Tenant within such ninety (90) day period that the Landlord does not accept the sum or sums,

including percentage participation, declared in the Notice Of Arm's Length Amount to be included in the Airport Revenue for any Lease Year in respect of the premises described in the Notice Of Arm's Length Amount, the Landlord shall, for that Lease Year, be deemed to have accepted the sum or sums, including percentage participation, set out in the Notice Of Arm's Length Amount as being such sum or sums, including percentage participation, which the Tenant would have derived as Gross Revenue for that Lease Year from an Occupant, Transferee or airport user of the premises described in the Notice Of Arm's Length Amount who is a Person who is at Arm's Length with the Tenant or in whom the Tenant does not have an investment of any kind. In the event the Landlord accepts or is deemed to have accepted the sum or sums, including percentage participation, set out in the Notice Of Arm's Length Amount, then any such sum or sums, including percentage participation, shall be included in Airport Revenue for each Lease Year for the duration of the Occupant Agreement or the Transfer as the case may be, unless an Event of Bankruptcy has occurred with respect to the Occupant, Transferee or airport user who is not at Arm's Length with the Tenant or in whom the Tenant has an investment of any kind, in which case such sum or sums, including percentage participation, will be excluded from Airport Revenue except to the extent that they are received by the Tenant.

- 4.05.04 Notwithstanding any provision in this Lease, if and for so long as the Tenant has not paid any amount which in the opinion of the Landlord is owing by the Tenant to the Landlord, or, if an Event of Default exists for any non-monetary default, then,

Section 4.09 Landlord's Right To Audit

4.09.01 In addition to the rights of audit contained in Section 25.02, for any of the purposes of this Lease including the purpose of calculating the amount of Airport Rent or Additional Rent or for the purpose of recalculating the Tenant's calculations of the amount of Airport Rent or Additional Rent, the Landlord may at any time and from time to time cause a complete audit by Her authorized representatives or by an independent Auditor engaged by the Landlord to be made of the Tenant's entire business affairs, accounting, financial and other business records and documents and any related procedures.

4.09.02 When the Landlord intends to have an audit carried out by an independent Auditor the Landlord shall submit to the Tenant a list ["Notice to Select Landlord's Auditor"] containing the names of three (3) Auditors and the Tenant shall, within ten (10) days of receipt by the Tenant of that Notice to Select Landlord's Auditor,

- (b) notify the Landlord in writing at the place then fixed for the payment of Rent of the reasons why it rejects each one of the three (3) Auditors listed on the Notice to Select Landlord's Auditor individually.

4.09.03 In the event that the Tenant

- (b) does not, within the ten (10) day period referred to in Subsection 4.09.02, provide the reasons why it rejects each one of the three (3) Auditors listed on the Notice to Select Landlord's Auditor individually,

the Landlord may select the Landlord's Auditor. If the Tenant notifies the Landlord within such ten (10) day period referred to in Subsection 4.09.02 that it rejects each one of the three (3) of the Auditors listed on the Notice to Select Landlord's Auditor individually together with the reasons for such

rejection the Landlord shall request that the Auditor General of Canada select the Landlord's Auditor who may be any one of the three Auditors listed on the Notice to Select Landlord's Auditor or any other person who is an Auditor. The Auditor General's selection of Landlord's Auditor for this purpose shall be binding on both the Tenant and the Landlord.

4.09.04 The Tenant shall,

(a) provide to the Landlord, the Landlord's authorized representative, the Landlord's Auditor or to any other Person performing any right of the Landlord contemplated in this Section 4.09,

(i) appropriate space on the Demised Premises satisfactory to and at no cost to, and

(ii) access to any accounting, financial and other business records and documents and any related procedures as may be required by and at no cost to

the Landlord, the Landlord's authorized representative, the Landlord's Auditor or any other Person or Persons performing any right of the Landlord contemplated in this Section 4.09, and

(b) authorize and require the Tenant's Auditor to provide to the Landlord's Auditor reasonable access to the Tenant's Auditor's working papers relating to the audit of the Tenant's Annual Financial Statements and the Tenant's Annual Statement and to the preparation of Tenant's Auditor's Report On Tenant's Annual Financial Statements and the Tenant's Auditor's Report, such access to be provided at no cost to the Landlord and the Landlord's Auditor and shall include the right to take extracts from the Tenant's Auditor's working papers as such working papers are described and defined in the CICA Handbook.

4.09.05 For any of the purposes of this Section 4.09, the Landlord, the authorized representatives of the Landlord and the Landlord's Auditor shall have the right without cost,

(a) to examine the Tenant's entire accounting, financial and other business records and documents and any related procedures during regular business hours and to take extracts from such records and documents; and

(b) to have a Person or Persons on the Demised Premises to,

(i) check, verify and tabulate the amount of any Airport

Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent;

- (ii) examine any accounting, financial or other business records and documents or any related procedures including control features affecting the determination of the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent; and
- (iii) obtain and use such other information as the Landlord, the authorized representatives of the Landlord, the Landlord's Auditor, or such Person or Persons considers relevant in order to establish the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent.

4.09.06 Any audit carried out by the Landlord's Auditor shall be carried out in accordance with Generally Accepted Auditing Standards and the Landlord will, not less than thirty (30) days prior to the issuing of the Landlord's Auditor's report on such audit, provide the Tenant with an opportunity to comment on the Landlord's Auditor's findings.

4.09.07 Any audit carried out by the Landlord's Auditor shall be final and binding on both the Tenant and the Landlord.

4.09.08 If any audit carried out by the Landlord's Auditor establishes for any Lease Year, that

- (a) Airport Rent for that Lease Year is greater than Airport Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year, or
- (b) Additional Rent for that Lease Year is greater than Additional Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year,

the Tenant shall forthwith pay to the Landlord an amount [in this Subsection 4.09.08 called "such amount"] equal to the aggregate of,

- (c) the amount by which Airport Rent for that Lease Year as established by that audit exceeds Airport Rent for that Lease Year

as set out in the Tenant's Annual Statement for that Lease Year, and

- (d) the amount by which Additional Rent for that Lease Year as established by that audit exceeds Additional Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year

together with interest at the Interest Rate on such amount, such interest being calculated from and including the one hundred and twentieth (120th) day following the end of the Lease Year for which that audit was carried out, to and including the date of payment.

4.09.09 If an audit carried out by the Landlord's Auditor establishes for a Lease Year, that

- (a) Airport Rent for that Lease Year is less than Airport Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year, or
- (b) Additional Rent for that Lease Year is less than Additional Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year,

the Landlord will, provided the Tenant is not otherwise in default, remit to the Tenant an amount equal to the aggregate of

- (c) the amount by which Airport Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year exceeds Airport Rent for that Lease Year as established by such audit, and
- (d) the amount by which Additional Rent for that Lease Year as set out in the Tenant's Annual Statement for that Lease Year exceeds Additional Rent for that Lease Year as established by such audit.

4.09.10 Except in the case of fraud, and subject to this Section 4.09, neither party shall have any right to claim any adjustment or change to Airport Rent or Additional Rent unless the party making such claim has given a notice of such claim to the other party on or before the last day of the sixth (6th) Lease Year after the Lease Year in respect to which the claim is being made.

Section 4.10 Non-Delivery of Statements

4.10.01 In the event that,

- (a) the Tenant fails to have submitted or fails to submit any of the statements or reports referred to in Section 4.07 within the time stipulated; or
- (b) the Tenant's detailed accounting, financial and other business records and documents are insufficient to permit a determination of the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent

then, in addition to any other rights the Landlord may have, the Landlord may, at the Landlord's option,

- (c) with or without the assistance of an independent public accountant, estimate the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent; or
- (d) choose and employ an independent public accountant or an Auditor to examine the Tenant's accounting, financial and other business records and documents and any related procedures during regular business hours and to take extracts from such records and documents;

and, in any case, the Landlord or the independent public accountant or Auditor contemplated in Paragraph 4.10.01(d) shall have the right to have a Person or Persons on the Demised Premises to,

- (e) check, verify and tabulate the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent;
- (f) examine any accounting, financial or other business records and documents or any related procedures including control features affecting the determination of the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent; and
- (g) obtain and use such other information as the Landlord, the independent public accountant, the Auditor, or such Person or Persons considers relevant in order to establish the amount of any Airport Revenue or any other amount, monetary or otherwise, or

any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent.

4.10.02 The Tenant shall provide to the Landlord, the public accountant, the Auditor or to any other Person or Persons performing any function pursuant to Subsection 4.10.01,

- (a) appropriate space on the Demised Premises satisfactory to and at no cost to, and
- (b) access to any accounting, financial and other business records and documents and any related procedures as may be required by and at no cost to

the Landlord, the public accountant, the Auditor or any other Person or Persons performing any work contemplated in this Section 4.10.

4.10.03 Any estimate or statement of Airport Rent or Additional Rent so prepared shall be referred to as a "**Caused Statement**".

4.10.04 Upon delivery of any Caused Statement, the Tenant shall forthwith pay to the Landlord,

- (a) any amount payable by the Tenant to the Landlord based upon such Caused Statement, together with interest at the Interest Rate on that amount such interest being calculated from and including the first (1st) day of the period for which the Caused Statement is prepared to and including the date of payment;
- (b) all amounts to reimburse the Landlord for all costs and expenses of the Landlord in having such Caused Statement prepared; and
- (c) all additional amounts for administration and overhead charges as the Landlord may from time to time determine and which are related to any Caused Statement.

4.10.05 If the Auditor or independent public accountant in attempting to prepare any Caused Statement reports to the Landlord that, in his opinion, the Tenant's accounting, financial and other business records and documents or related procedures are insufficient to permit a determination of the amount of any Airport Revenue or any other amount, monetary or otherwise, or any other factor impacting on or relevant to the determination of the amount of Airport Rent or Additional Rent for any Lease Year or part thereof, or if the Tenant is not complying with each and every one of the provisions of Article 4, the Tenant shall forthwith after notice from the Landlord take all such steps as are necessary to remedy

any such default. In the event the Tenant fails to forthwith take all steps as are necessary to remedy such default, the Landlord may, notwithstanding any other provisions of this Lease, terminate this Lease without further notice.
